

# ICE CAPTAIN™

**For Your Ice Only!  
Sanitary Ice Tote**

### Food Safety...

- Designed and labeled for ice transportation only.
- Will not nest or stack with other foodservice containers to prevent cross contamination.
- Optional lid covers ice during transport or temporary storage.
- Stores upside down with unique versatile handles and bracket.
- Dishwasher safe and chemical resistance.
- Handle hangs on wire shelving edge for convenient storage.
- Virtually unbreakable construction.

### Employee Safety...

- Special lift handle keeps ice tote from slipping while emptying ice.
- Stainless steel bail with comfort grip provides safe lifting and transporting for 28 lbs. of ice.
